2020 Has Already Been A Blessing!

2nd Semester is Underway!

Second Semester is underway, and I am very thankful and excited to share the great things that are going on.

We ended our Fall Semester with 27 students. They were very faithful and diligent in their studies and their GPA for the semester reflected that.

As we begin the Spring Semester, I am happy to announce that all 27 students have returned from the fall semester and we have been blessed to have 3 new students enroll for our spring courses. Two of these three new students have enrolled as fulltime students.

Our current enrollment stands at 30.

Please continue to pray that God will continue to use Cumberland Baptist Institute in a greater way and that He will lay it upon the hearts of His people to position themselves to become the best servants of God that they can be.

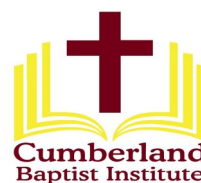

As always, I want to encourage each one who reads this newsletter to consider utilizing the advantages that Cumberland Baptist Institute can provide to you. I believe that South Central Kentucky is extremely blessed that God has placed this Bible Institute where He has. Many

people around the world would love the opportunity to be able to have formal Bible study in their state or province, much less in their own community.

Our mission is to teach the Word of God, rightly divided. We are not "A Preacher School".

We are Bible Institute committed to presenting and studying the scriptures so that each person associated with that study, (Faculty included) can apply the precious truths of God's Word, endeavoring to become the best servant of God that we can be.

Can Cumberland Baptist Institute assist you in your walk with the Lord? I believe that if you ever give us the opportunity, that your answer will be "Yes"!

Matthew Available Soon!

I am pleased to announce that I have received word that the latest edition to the "Baptist New Testament Commentary" set is currently being printed and is scheduled to be shipped from the publisher on February 11th!

Cumberland Baptist Institute is honored to be your local distributor for this wonderful commentary set, and this means that we will have this latest volume onsite very soon.

You can come by the school and pick up this latest edition, so that you can keep your set current.

If you don't have this commentary set in your library or need specific volumes to complete your set, we can assist you with either of these needs.
